Use our advantages to make the difference to others.

For decision makers who need the highest level of discretion and flexibility.

## **Aircraft Management**

No matter if you own an aircraft or share the ownership with others, we guarantee the cost transparency and control at all times. You decide and we act on your behalf. Our experienced team takes care of your plane and its maintenance. We also hand-pick experienced crew members qualified to fly it.

## **Aircraft Trading**

Depending on your wishes and needs we evaluate the market and recommend a selection of aircraft matching your requirements. Its you who decides which brand and model to pick, its us who assist you to make the dream come true.

## **You're the center of our attention**

Whether you want to use your trip for a meeting, work undisturbed or simply want to get away from it all – we are at your service just when you need us.

We fulfil your wishes and offer you excellent cuisine and wine during your trip. Wherever your heart's desire, no destination is too far away.

## **Safety, all the way**

Experienced and stringently trained crew, outstanding aircraft maintenance, along with perfectly organized operation guarantee your well being and safety.

## **Your time is valuable**

Saving time is your advantage. Let us provide you with the means and infrastructure to make the most out of it.

## **Executive Travels**

Should you choose to rely on us beyond just your air travel, we'd be happy to organize the entire journey for you. Let us take care of booking the hotels, cars, yachts and arranging necessary transfers while you simply relax and enjoy the trip.

## **Exclusive Charter**

Should you decide to improve the cost management and charter your aircraft, the privilege of flying it will be granted only to members of our Executive Flight Club. Needless to say, your schedule has always priority to us, charter flights will be arranged upon your approval.

## **Invest and Optimize**

Moonlight Air is your specialist for private jet management or even if your company need a complete flight department for your entire aircraft fleet. We offer solutions with more financial benefits and tax advantages compared to our competitors commercial flight operations. Its a fact that our customers save money while we take care of the aircraft and the management.

## **Global Network**

We are worldwide well connected with specialists in various sectors. In our Network are tax, aviation, lawyer, insurance, financial and leasing experts who make sure you get the very best service and offer on the market. All this combined allows us to say; our customers receive a maximum of transparence, service and quality to better terms and conditions than anywhere else.
